

# James Adams

I'm a driven and detail-oriented data professional, with a background in operations and management in sport. With a further background in therapy, biomechanics, statistical analysis and teaching, I'm always looking to challenge myself while putting my skills to good use.

London, UK   james@jmablog.com   jmablog.com

## Experience

### Enterprise Technical Lead

Nov 2023 - Present

*Multiverse*

- Working on the largest Enterprise account at Multiverse to strategise and build bespoke operational and programme customisations to deliver on the needs of the client, and ensuring these are effectively developed and rolled out to internal stakeholders
- Responsible for liaising with cross-functional departments to manage changes across the business and their interaction with client expectations and needs
- Responsible for the technical expertise of the coaches within the Data Fellowship programme, and in particular the additional technical skills needed to work as an Enterprise coach

### Data Fellowship Coach

Sept 2022 - Nov 2023

*Multiverse*

- Teaching, coaching and mentoring apprentices through the Multiverse Data Fellowship programme, supporting them to successful completion of the apprenticeship programme and into their future careers
- Covered learning to code with Python, process data with SQL and BI tools, and communicating data projects and results with stakeholders
- 92% first time pass rate, with all passing apprentices achieving either a merit or distinction

### Associate Lecturer - Statistics and Research Methods

Feb 2022 - June 2022

*London Metropolitan University*

- Designing and delivering lectures and practical tutorials on statistics and research skills for first year undergraduates and Masters degree students
- Setting and assessment of coursework at undergraduate and Masters level
- Instituted and managed a department wide switch to modern statistical applications and their delivery to students

### Teaching in Higher Education Work Placement

Oct 2020 - Oct 2021

*London Metropolitan University*

- Delivering lectures, tutorials, and assessments in modules including statistics for sports science, biomechanics, sports therapy, and business studies

## **Sports Therapist Placement**

Oct 2019 - Jan 2020

### *Clinic4Sport*

- Providing pitch side first aid for Polytechnic FC and Civil Service FC during match games, alongside pre- and post-game sports therapy treatments such as sports massage, stretching, and injury advice
- Delivering sports massages at large sporting events, including the London Triathlon 2019, Prudential Ride100 2019, and the Royal Parks Half Marathon 2019

## **Sports Therapist Placement**

Oct 2019 - Apr 2020

### *NFL Academy, London*

- Assisting the therapy team for the NFL Academy, a new initiative training young players a US college football career
- Included assisting with pre-training treatments such as stretching and taping, assisting with pitch side first-aid when required, and delivering supervised post-training treatments such as sports massage, rehabilitation exercises and injury assessments

## **Personal Trainer**

May 2012 - Sept 2019

### *JMA Training*

- 1-1 personal training with clients from a wide variety of backgrounds and fitness levels/experiences, delivering in-depth knowledge of all exercises and how best to implement them, with the ability to adjust on the fly as required
- Regular assessments of client expectations and goals, designing and implementing fitness programs with constant tracking and evaluation while providing motivation, encouragement and inspiration

## **Chief of Operations**

May 2012 - Feb 2017

### *Parkour Generations*

- General management of the company and Chainstore Gym & Parkour Academy facility. Moving from a small group focused on outdoor coaching to a location based and scaling business of 20+ coaches, I was responsible for managing our transition and developing standardised procedures around memberships, payments, staffing (including coaches, reception, and admin staff) and day-to-day operations
- Other responsibilities included KPI tracking, oversight of financial records and budgeting, and liaising with local councils, schools, and national governing bodies for bookings

## **Enforcements Section Team Leader**

Jan 2010 - May 2012

### *HM Courts & Tribunals Service, Royal Courts of Justice*

- Leading on the day to day running of the Enforcement Section of the High Court, managing seven staff
- Responsibilities included reporting regularly to Senior Civil Service management and the Judiciary, monitoring, compiling and analysing KPIs via the daily statistics for the office, prioritising and managing workload for staff, dealing with customer complaints and managing staff attendance and performance

*General Assembly*

- Data cleaning, exploration, and analysis in Python using NumPy, Pandas, and scikit-learn
- Data visualisation with matplotlib and Seaborn
- Modelling with regression, classification, and clustering machine learning techniques
- Investigating seasonality and trends in time series data and sentiment analysis in natural language

**SQL For Data Science Specialisation**

Apr 2022

*UCDavis / Coursera*

- Using SQL to extract, filter, aggregate, join, and analyse data
- Using Apache Spark and DataBricks for distributed computing with Spark SQL

**Data Visualisation**

May 2022

*freeCodeCamp*

- Using d3.js to create interactive data driven visualisations on the web

**MRes Sport & Exercise Science (Distinction)**

Oct 2020 - Oct 2021

*London Metropolitan University*

- Natural Language Processing in R to determine sentimentality in qualitative interview data

**BSc Sports Therapy (First Class Hons.)**

Feb 2017 - June 2020

*London Metropolitan University*

- Force platform data analysis with repeated-measures multi-factorial ANOVA in R
- Received Best Performance and Highest Degree Mark in Subject Group Award

**YMCA Level 2 Certificate in Instructing Parkour Fitness (Parkour Fitness Specialist)**

2015

*Parkour UK***International Diploma in Advanced Personal Training**

2012

*Premier Training International*

- Active IQ Level 3 Certificate in Personal Training
- Active IQ Level 2 Certificate in Fitness Instruction

**Level 1 Certificate in Coaching Parkour/Freerunning (A.D.A.P.T.)**

2011

*Parkour UK / 1st4Sport*

## Professional Memberships

### Associate Fellow (AFHEA)

Oct 2021 - Current

*AdvanceHE*

- Meeting the criteria of Descriptor 1 of the UK Professional Standards Framework for teaching and supporting learning in higher education

## Volunteering

### Codebar Python Coach

2022 - Present

*codebar.io*

- Helping beginners learn Python through paired coaching and tutorials, remotely and in-person

## Projects

### Predicting Ultra Marathon Times

*<https://github.com/jmablog/ultra-marathons-analysis>*

- Final project for General Assembly's data science course
- Predicting ultra marathon finishing times using Pandas, scikit-learn, and Seaborn

### tinieR: R package

*<https://jmablog.github.io/tinieR>*

- An R package to shrink image file sizes using the TinyPNG.com API
- Self-taught R language package development, providing learning on R package internals, unit testing, and continuous integration techniques

### SquatCam

*<https://squatcam.vercel.app>*

- Real-time joint position feedback for squatting using PoseNet machine-learning algorithm in ml5.js
- Languages used: Javascript, HTML, CSS

### Parkour Clinic

*<https://parkour.clinic>*

- Free online sports therapy consultations for parkour athletes
- Personal non-profit project started to continue sports therapy work while studying at Masters level, and to give back to the parkour community
- Hand-built site with Hugo, HTML, and TailwindCSS
