

James Adams

Data scientist, sports therapist, educator, former parkour coach.

London, UK james@jmablog.com jmablog.com

 <https://www.linkedin.com/in/jmablog>  <https://github.com/jmablog>

Education

Data Science Course

2021 - 2022

General Assembly

- Data cleaning, exploration, and analysis in Python using NumPy, Pandas, and scikit-learn
- Data visualisation with matplotlib and Seaborn
- Modelling with regression, classification, and clustering machine learning techniques
- Investigating seasonality and trends in time series data and sentiment analysis in natural language

MRes Sport & Exercise Science (Distinction)

2020 - 2021

London Metropolitan University

BSc Sports Therapy (First Class Hons.)

2017 - 2020

London Metropolitan University

- Received Best Performance and Highest Degree Mark in Subject Group Award

Experience

Associate Lecturer

2022 - Present

London Metropolitan University

- Designing and delivering lectures and practical tutorials on statistics and research skills for first year undergraduates and Masters degree students
- Setting and assessment of coursework at undergraduate and Masters level
- Instituted and managed a department wide switch to modern statistical applications and their delivery to students

Teaching in Higher Education Work Placement

2020 - 2021

London Metropolitan University

- Delivering lectures, tutorials, and assessments in modules including statistics for sports science, biomechanics, sports therapy, and business studies

Sports Therapist Placement

2019

Clinic4Sport

- Providing pitch side first aid for Polytechnic FC and Civil Service FC during match games, alongside pre- and post-game sports therapy treatments such as sports massage, stretching, and injury advice
- Delivering sports massages at large sporting events, including the London Triathlon 2019, Prudential Ride100 2019, and the Royal Parks Half Marathon 2019

Professional Qualifications

Sports Therapist Placement <i>NFL Academy, London</i> <ul style="list-style-type: none"> · Assisting the therapy team for the NFL Academy, a new initiative training young players a US college football career · Included assisting with pre-training treatments such as stretching and taping, assisting with pitch side first-aid when required, and delivering supervised post-training treatments such as sports massage, rehabilitation exercises and injury assessments 	2019 - 2020
Personal Trainer <i>JMA Training</i> <ul style="list-style-type: none"> · 1-1 personal training with clients from a wide variety of backgrounds and fitness levels/experiences, delivering in-depth knowledge of all exercises and how best to implement them, with the ability to adjust on the fly as required · Regular assessments of client expectations and goals, designing and implementing fitness programs with constant tracking and evaluation while providing motivation, encouragement and inspiration 	2012 - 2019
Chief of Operations <i>Parkour Generations</i> <ul style="list-style-type: none"> · General management of the company and Chainstore Gym & Parkour Academy facility. Responsibilities included KPI tracking, oversight of financial records and budgeting, staff management, and liaising with local councils, schools, and national governing bodies for bookings · As a coach, also regularly led training classes for participants of all ability levels, in both indoor and outdoor environments, using a high level of creativity and excellent communication skills to teach complex movements and techniques 	2012 - 2017
Enforcements Section Team Leader <i>HM Courts & Tribunals Service, Royal Courts of Justice</i> <ul style="list-style-type: none"> · Leading on the day to day running of the Enforcement Section of the High Court, managing seven staff, reporting regularly to Senior Civil Service management and the Judiciary, monitoring, compiling and analysing KPIs via the daily statistics for the office, prioritising and managing workload for staff, dealing with customer complaints and managing staff attendance and performance 	2010 - 2012
Member <i>Society of Sports Therapists</i> <ul style="list-style-type: none"> · Includes medical malpractice and public liability insurance 	2021 - Current
Associate Fellow (AFHEA) <i>AdvanceHE</i> <ul style="list-style-type: none"> · Meeting the criteria of Descriptor 1 of the UK Professional Standards Framework for teaching and supporting learning in higher education 	2021 - Current
YMCA Level 2 Certificate in Instructing Parkour Fitness (Parkour Fitness Specialist)	2015

International Diploma in Advanced Personal Training

2012

Premier Training International

- Active IQ Level 3 Certificate in Personal Training
- Active IQ Level 2 Certificate in Fitness Instruction

Level 1 Certificate in Coaching Parkour/Freerunning (A.D.A.P.T.)

2011

Parkour UK / 1st4Sport

Writing

Journals

Common Parkour Vault Techniques, Landing Styles, and Their Effects on Landing Forces

2021

Journal of Sports Sciences

- Abstract published in special edition of the Journal of Sports Sciences following poster presentation at BASES Conference 2021
- Full paper and dataset also published online for the parkour community
- Winner of the **Human Kinetics Poster Presentation Award** at BASES 2021 Conference

Self-published

Using the Expertise of Parkour Coaches to Understand Parkour Movement: The Kong Vault

2021

DOI: 10.13140/RG.2.2.33633.02402

- Qualitative study using the empirical knowledge of experienced parkour coaches to construct a deterministic model of a parkour movement
- Full paper and dataset published online for the parkour community

Pandoc Filters in Bookdown

2021

jrnblog.com/post/pandoc-filters/

- Tutorial post written for the R community explaining the use of Pandoc's Lua filters feature to manipulate the abstract syntax tree for post-processing of Rmarkdown documents

Projects

Parkour Clinic

<https://parkour.clinic>

- Free online sports therapy consultations for parkour athletes.
- Personal non-profit project started to continue sports therapy work while studying at Masters level, and to give back to the parkour community.
- Hand-built site with Hugo, HTML, and TailwindCSS.

tinieR: R package

<https://jrnblog.github.io/tinieR>

- An R package to shrink image filesizes using the TinyPNG.com API.
- Self-taught R language package development, providing learning on R package internals, unit testing, and continuous integration techniques.

Predicting Ultra Marathon Times

<https://github.com/jmablog/ultra-marathons-analysis>

- Final project for General Assembly's data science course
- Predicting ultra marathon finishing times using Pandas, scikit-learn, and Seaborn

SquatCam

<https://squatcam.vercel.app>

- Real-time joint position feedback for squatting using PoseNet machine-learning algorithm in ml5.js.
- Languages used: Javascript, HTML, CSS (*custom and TailwindCSS*).

Skills

Data science

- Understanding of developing and tuning machine learning models for regression, classification, and clustering problems
- Detailed understanding of qualitative and quantitative research methodology
- Deep appreciation for statistical thinking and the importance of evidence-backed decision making
- Keen desire to contribute research to the greater scientific understanding of parkour in sport and exercise science
- Enthusiasm for effective, reproducible research, conveyed through concise narratives and compelling, beautiful visualisations

Coding

- R (*proficient*)
- Python
- Web (*HTML, CSS, JavaScript, Hugo, Tailwind*)
- Git version control (*with GitHub*)

Sports therapy

- Experience delivering therapy and exercise sessions to an incredibly diverse range of patients and customers, including professional athletes, emergency service members, hard-of-hearing or deaf teenagers, and mentally and physically disabled children
- In-depth knowledge of human anatomy, biomechanics, and sports injuries
- Empathetic and patient-focused pedagogy of care

Project management

- Comprehensive experience organising projects across teams and organisations
- Wide variety of project management software and techniques
- Detail-orientated approach

Misc

- Microsoft Office suite
- Graphic design / image editing
- Financial records and book keeping software

Other details

- Full, clean driving license
- Enhanced DBS certificate
- First Aid trained
